Be a community that fearlessly follows Jesus to love God's people.

*For you were called to freedom, brothers and sisters;
only do not use your freedom as an opportunity for self-indulgence,
but through love become slaves to one another.*

Galatians 5:13

Summers are traditionally quiet times in the life of a congregation. The reasons for this are plentiful, many people are traveling on vacation, sun in the pacific north-west lures folks away from the church on Sunday mornings and towards the mountains to play, and the program year is over so there is "less to do." For the staff of a congregation summers are actually quite busy. Time is spent evaluating the previous program year, plans are being made for next year program year, and new skills are being learned in order that the next program year is as fruitful as the previous.

As the staff and leadership here at OSLC takes on the task of evaluation, we need your help. If you would take a few minutes and fill out two surveys, we will be better able to help design another fun and faithful program year:

- 1) Pastor's Performance Review Survey
<https://www.surveymonkey.com/r/FR7J5G7>
- 2) OSLC Program Year Survey
<https://www.surveymonkey.com/r/387CK55>

These surveys play an important role in helping OSLC fearlessly follow Jesus, as we seek to serve you and deepen your faith. Thank you in advance in filling them out. On July 29th after the worship service, we will have a Town Hall where the result of the surveys will be discussed. Please plan to attend.

It is our prayer that you are enjoying your summer. We have a number of different fellowship events, a sermon series exploring 1st Corinthians, and a social concerns program we are doing in partnership with the foodbank. We hope you see you at some point this summer, but if we miss you please make sure to keep in touch.

Blessings,
Pastor Wes

President's Message

By: Manda Schoen, Council President

As you may know, Encompass Northwest moved into the former preschool space at the beginning of June. We received the following message from Director of Pediatric Therapy Programs Kim Kanzler as they are beginning their work here:

"Encompass had our first gathering in the beautiful church preschool room, it was a huge hit!

Our first class focused on families that have a child identified with a hearing loss or deafness, We had 7 moms along with their children and they loved it. Our plan is to continue this group on the 3rd Friday of each month. We clearly tapped into a needed support for the community. One story of the day stood out, it fit the mission and values of both Encompass and OSLC! A new mom and her 10 week old baby attended the first playgroup. Her baby was diagnosed at birth with a hearing loss at birth. Mom reported that she was trying to figure out how to navigate this "new normal." She felt that the doctors just assumed that she knew these new terms, the different lingo, and what she needed to do to advocate for her baby. This made her feel inadequate. Being in this group of moms she instant felt empowered! She felt safe to ask this group questions and feels armed with information as she heads into her next round of medical appointments.

A heartfelt thank you for all the extra time and effort that everyone put in to meet the June timeline!"

Director of Pediatric
Therapy Programs

Encompass is doing work that serves God's people in our community. What additional opportunities do we have to do the same?

In Peace,
Manda Schoen

Eastside Fire & Rescue at OSLC

"Thank you again so much for allowing us to hold our interview process at OSLC - we are very grateful for you!"
- Pam Bryson, Human Resource Analyst, Eastside Fire & Rescue

In June OSLC played host to Eastside Fire & Rescue (EF&R), where they conducted interviews in an effort to hire new fire fighter recruits that will eventually serve and protect our community and our region. Thank you to all the groups that moved their meetings and gatherings to other rooms within OSLC in order to accommodate this community effort, including the Mission Quilters, Nourishing Network, Overeaters Anonymous, Al Anon, and others!

Eastside Fire & Rescue invited 450 applicants to their initial screening interviews held at OSLC June 4th - 7th. The interview panels consisted of 3 firefighters and 3 fire lieutenants. They then invited 92 of those candidates back for second round panel interviews, held at OSLC on June 18th - 21st. The interview panels for the second round consisted of 5 firefighters and 3 fire captains.

22 candidates were invited to Fire Headquarters to interview with Battalion Chiefs, Deputy Chiefs, and finally the Fire Chief. 16 of those candidates have moved on and been placed on a hiring eligibility list.

After further background checks and exams, EF&R expects to hire 4 candidates on September 4. The new fire fighter recruits will attend an in-house Ethical Leadership Academy, and then move on to attend a 14-week Fire Academy with recruits from other fire departments in our area. Following the fire academy, they will attend a 5-week Emergency Medical Technician course before being assigned to one of our 9 career fire stations.

Eastside Fire & Rescue serves the communities of: Issaquah, Sammamish, Carnation, May Valley, North Bend, Preston, Tiger Mountain., and the Wilderness Rim.

Members and Friends of OSLC,

Wow! Thank you OSLC, for a fantastic worship service and fond farewell on Sunday, June 3rd. The service was perfect! The music was phenomenal. Thank you OSLC musicians for all of your dedication. It was a fantastic day and I'm thankful that my friends and family were able to be there. Most of all, thank you Pr. Wes, Scott and Shari for your work to make this service so wonderful. To the reception crew, led by Sue, Kate and Dianne, my thanks for such a wonderful gathering. It was perfect.

Thank you for your cards and well wishes. Your gifts and words were inspiring and so gracious. Your generosity is amazing. The cross you presented me with is hanging proudly in my entryway. I love it!! I will certainly miss seeing all of you on a regular basis. You will see me occasionally on Sunday mornings for worship. God's peace to all of you, and my sincere thanks for 19 wonderful years at OSLC. Stay in touch, my home email is janetheck56@gmail.com.

ELCA Youth Gathering

We pray for safe travel and a memorable event in the lives of the youth attending the ELCA Youth Gathering. Every three years, 30,000 high school youth and their adult leaders from across the Evangelical Lutheran Church in America (ELCA) gather for a week of faith formation known as the ELCA Youth Gathering. Through days spent in interactive learning, worship, Bible study, service and fellowship, young people grow in faith and are challenged and inspired to live their faith in their daily lives.

This year the Youth Gathering was held June 27 – July 1st in Houston, Texas. The theme: “This Changes Everything.” The primary scripture for the event is Ephesians 2:8 “For by grace you have been saved through faith, and this is not your own doing; it is the gift of God.”

OSLC's Social Concerns Committee

July/August 2018

Sometimes I think summer is here, and I look outside only to see the pouring rain. Well thus is life in this beautiful place we call home. I wouldn't have it any other way. God has so richly blessed us with the lovely Northwest.

In May we held "Tuxes and Tiaras" in Anderson Hall. There were approximately 200 beautiful, gently used, prom dresses free for the asking on display, along with sparkly shoes, purses and a number of tuxedos for teenagers to take home for the prom. Volunteers from the Issaquah Food and Clothing Bank, School PTSA's, and OSLC set up dressing rooms and helped students find prom attire. All the students that came found dresses or tuxes that they were very happy with.

In conjunction with Pastor Wes' sermon series this summer we are asked to remember the poor. In fact, we already are asked each week at the close of the service by our worship assistant, to remember the poor. This summer it will take on specific shape by reminding us to bring in foods that are especially needed by the food bank. A "Corner of Blessing" has been set up in the narthex to receive the food. I remember one church we belonged to years ago where we just got into the habit. As we walked out the door of our home to go to church, we took a few cans off our shelves and took them with us. We kind of got to thinking of it as our ticket into church. We were going to church so we took a few cans of food and put it in the basket as we went into the sanctuary. A good habit that we didn't have to try to break.

This summer, as in many in the past, the social concerns committee will be helping with the Tools for Schools Program put on by the Issaquah Schools Foundation. You can help by bringing in new backpacks and placing them in the box in the narthex marked "Tools 4 Schools". If you prefer you can go to <https://supplyallkids.com/#/donate/isf>. From this website you can donate a supply kit, a backpack or both by just clicking a few keys. The donation deadline is July 28th, 2018. Backpacks and supplies will be distributed at Clark Elementary School on August 1st and 2nd. Volunteer opportunities are available by contacting the Issaquah Food and Clothing Bank.

Also this summer the Issaquah Food and Clothing Bank will be offering a summer lunch program for children in need. The program will be on Thursdays through August 30 from 10am to 1pm. Families can pick up bags containing a weeks worth of breakfast, lunch, snacks, lunch meat/cheese and produce. The food bank is in need of kid friendly breakfast, lunch and snack foods, paper grocery bags, money volunteers to pack and distribute bags. To volunteer, please contact the food bank.

From the Global Missions Committee: Arusha Lutheran Medical Nursing Scholarships

The Global Missions Committee, on behalf of OSLC, recently donated \$9,750 to the Arusha Lutheran Medical Center (ALMC) Nurses Training Program. The donation was supported by OSLC Church Council, and then approved during the regular OSLC budget approval process.

A representative from Operation Bootstrap Africa called to thank OSLC for the donation. He stressed that Tanzania is experiencing a shortage of health care personnel, and the need to educate is paramount.

Additionally, the donation will change the lives of girls and families in the region. Napir Saip Mokoro described her experience: "I'm a second year student nurse at ALMC. In our Maasai tradition, female children don't go to school. Rather, when we are 15 years we are married whether we want to or not. But I thank God who made us all, that some other people of God consider us who are born in such poverty, and have given us the opportunity to alleviate our poverty through education."

OSLC Mission Quilters

Join us this summer on Wednesday mornings July 18th and 25th, 9:30 am until 12:00 noon in Anderson Hall, and assist us making quilts. The Mission Quilters make simple patchwork quilts that are donated to people in need.

Quilts made by OSLC Mission Quilters are donated to Lutheran World Relief, and are then sent all over the world, frequently to countries following natural disasters such as earthquakes and hurricanes. Quilts are also given to OSLC graduating seniors, to Compass Housing Alliance, and our neighbors at the Issaquah Nursing & Rehabilitation Center.

The Mission Quilters welcome new members. It is not necessary to know how to sew or quilt to participate in this ministry. The group welcomes donations of fabric (preferably cotton) and clean used sheets. Donations to help with the cost of shipping and to buy supplies are also greatly appreciated. Contact the church office for more information, 425-392-4169, ext. 100.

OSLC's Book Club

Issaquah Barnes and
Noble Bookstore
Monday, July 9th @ 7:30 p.m.

The next gathering for the Book Club is on Monday, July 9th at 7:30 p.m. at the Issaquah Barnes and Noble to discuss the book, *Along Came a Spider*. This is the first novel in James Patterson's series about forensic psychologist Alex Cross. He investigates the brutal murders of three people in the poor section of Washington D.C. Suddenly Cross is pulled away to a high profile kidnapping. Meanwhile, a teacher is so popular that the kids all call him "Mr. Chips." And he's very, very smart. Growing up, he always knew he was smarter than the rest of them-he knew that the Great Ones always fooled everybody. Alex Cross must face the ultimate test as a psychologist: how do you outmaneuver a brilliant psychopath? For further information about the book club, contact Alice

OSLC Library News

Summer is here! Summer brings us, sunshine, time to relax, travel and READ! We want to encourage you to remember the church library when choosing books to take along on your summer adventures.

Shelves of fiction and fascinating tales are waiting. *Until We Reach Home* by Lynn Austin, where three sisters from Sweden leave their troubles to try to find a new life in Chicago; or *The Centurion's Wife* by Davos Bunn and Janette Oke, the saga of events during the birth of Christianity. Not so interested in fiction? Non-fiction subjects include parenting, marriage, biographies, Bible studies, ethics, world religion, and Christian living. Be sure to check out the "New Additions" section just inside the library door. On top of that bookcase you'll find what you need to check out your choices.

The church library can help further your children's love for reading, and keep their reading skills up while school is out. Middle school readers can find something they enjoy in the Juvenile section (books with green stickers). *Brown Sunshine of Sawdust Valley*, by Marguerite Henry; or *Hey That's Not What the Bible Says Too!* by Bill Ross; or many adventure series. Early readers will find their books on the free-standing book displays near the window with Levels 1-4, and choices to last all summer! Great picture books are just beneath the window. *Whispering in the Park*, *A Babysitter for Billy Bear*, or *Come Sunday*. Come by the library and make reading a part of your summer.

From left to right: Jiyoung Lee, Scott Hafso, Sandy Saathoff, Zart Dombourian-Eby, Lauren Asimakoupoulos, and Nayoung Ham.

Our Savior Musicians Say Thank You

Sandy Saathoff and the OSLC Musicians wish to thank everyone for their generosity, and the donation of their time and talents, from musicians to the clean-up crew. \$626 was raised to support the good work of Encompass NW, OSLC's newest partner in ministry!

Chancel Choir Welcomes New Members

Currently on a well-earned summer hiatus, the Chancel Choir will be welcoming new voices in the fall. The choir rehearses on Wednesday evenings (7:00 p.m. in the sanctuary), beginning on Wednesday, September 5th. If you've ever considered adding your voice to the Song of the People, or would welcome a mid-week oasis of music, laughter and community, consider joining us.

Questions? Please contact Scott Hafso, Director of Worship and Music at belle-vuer@gmail.com.

Rethinking Sunday School

Think you're too old for Sunday school? Think again. The Christian Education Committee has been meeting regularly with the goal of reimagining Sunday school at OSLC, and they have big plans for September!

Starting this fall, Sunday school will call all ages from children to adults to gather in Anderson Hall at 8:45 am. Pastor Wes will engage everyone present in a short lesson for the day. After the lesson, participants will have their choice of activities, open to all ages:

Arts & Crafts — Get in touch with your creative side. A station will be set up with a craft for the day will be designed and around the lesson presented by Pastor Wes.

Music or Drama — Get moving! Join us in singing or acting out the lesson for the day.

Discussion — Join the conversation. Explore the readings in depth, discuss for understanding, and ask questions.

Children and adults alike can choose their activity. Children can stay with their parents if they prefer, or they can head off to the activity of their choice that Sunday.

Sunday school teachers will plan and lead each activity, with a focus on fun and learning from each other.

Your Voice Matters

The 2017-18 program year officially ended in June, and we are requesting your feedback. One of the ways we track our vision to fearlessly follow Jesus, is through our end of year surveys. These surveys help leadership and staff understand what worked and what didn't. Below you will find links to two surveys. The first survey is the Program year. The second is the Pastor Performance Review.

OSLC Program Year <https://www.surveymonkey.com/r/387CK55>

Pastor Performance Review <https://www.surveymonkey.com/r/FR7J5G7>

Thank you for taking the time to fill out these surveys.

And stay tuned! There will be a Sunday (date to be determined) where we will review the findings at a Town Hall event.
